generative and illustrative of an intellectual tradition that provides certain breaks with the ordering principles of critical traditions dominating Western Left thinking since the turn of the century Foucault's work illustrates a move within

Power-Dependence Relations

A simple theory of power relations is developed in an effort to resolve some of the ambiguities surrounding "power," "authority," "legitimacy," and power "structures," through bringing them together in a coherent scheme After defining a reciprocal power-dependence relation, attention is focused upon properties of balance and "balancing operations" in such relations The theory dictates

MAX WEBER ON POWER AND AUTHORITY BY EMMANUEL IWUH ...

power as any relationship within which one person could impose his will, regardless of any resistance from the other, whereas authority existed when there was a belief in the legitimacy of that power He further states that what distinguishes authority, from coercion, force and power on the one hand and leadership, persuasion and influence on the other hand, is legitimacy⁷ Therefore, the

the power of unreason conspiracy theories, extremism and ...

general account of events and power where society develops structures of control to favour the powerful over the weak is fuzzy Indeed, some conspiracy theories can in some cases have a grain of truth to them, or be based on some facts, and then be wildly exaggerated Many far left groups for example believe in a Marxist structuralist view of the world, where financiers, international bankers

White Lies: A Critical Race Study of Power and Privilege

Race Theory with Transformative Learning theory and Racial Identity Development as additional theoretical lenses The purpose of this study was to increase our awareness of how White people come to understand their racial privilege and what change in behavior occurs as a result of that increased awareness Its goal was to promote and influence
